Great Place to Work® and Fortune Name Roche Diagnostics One of the 2017 Fortune 100 Best Companies to Work For

Indianapolis, IN – Roche Diagnostics is one of the 2017 Fortune 100 Best Companies to Work For, according to global research and consulting firm Great Place to Work® and Fortune.

Roche Diagnostics ranked No. #70 on [the list](#), which is based on employee ratings of their workplace culture, including the level of trust they feel towards leaders, the pride they take in their jobs and the camaraderie they experience with co-workers.

This year marks the 20th anniversary of the Fortune 100 Best Companies to Work For list, and 2017 winners continue to show that a high-trust culture fuels better business results. Great Place to Work research shows that list winners keep outperforming the stock market, beating industry rivals when it comes to talent retention and demonstrating higher levels of productivity than peers.

“This recognition is reflective of our efforts to continually evaluate our culture and our dedication to attract, develop and retain top talent.” said Bridget Boyle, Vice President and Site Head Human Resources, Roche Diagnostics. “We are honored to be on the Fortune 100 Best Companies to Work For list for the 5th year in a row.”

“Congratulations to the 2017 100 Best,” said Michael C. Bush, CEO of Great Place to Work. “These leading companies are at the vanguard of a new business frontier, where organizations know they have to develop the full human potential of all their employees. They are working to build Great Places to Work For All, which are better for business, better for people and better for the world.”

In conjunction with the 2017 Fortune 100 Best Companies to Work For, Great Place to Work also has produced a report predicting the future of workplace culture based on research into the 100 Best. To download the report, click [here](#).

About Roche

Roche is a global pioneer in pharmaceuticals and diagnostics focused on advancing science to improve people’s lives. The combined strengths of pharmaceuticals and diagnostics under one roof have made

Roche the leader in personalized healthcare – a strategy that aims to fit the right treatment to each patient in the best way possible.

Roche is the world's largest biotech company, with truly differentiated medicines in oncology, immunology, infectious diseases, ophthalmology and diseases of the central nervous system. Roche is also the world leader in in vitro diagnostics and tissue-based cancer diagnostics, and a frontrunner in diabetes management.

Founded in 1896, Roche continues to search for better ways to prevent, diagnose and treat diseases and make a sustainable contribution to society. The company also aims to improve patient access to medical innovations by working with all relevant stakeholders. Twenty-nine medicines developed by Roche are included in the World Health Organization Model Lists of Essential Medicines, among them life-saving antibiotics, antimalarial and cancer medicines. Roche has been recognized as the Group Leader in sustainability within the Pharmaceuticals, Biotechnology & Life Sciences Industry eight years in a row by the Dow Jones Sustainability Indices (DJSI).

The Roche Group, headquartered in Basel, Switzerland, is active in over 100 countries and in 2016 employed more than 94,000 people worldwide. In 2016, Roche invested CHF 9.9 billion in R&D and posted sales of CHF 50.6 billion. Genentech, in the United States, is a wholly owned member of the Roche Group. Roche is the majority shareholder in Chugai Pharmaceutical, Japan. For more information, please visit www.roche.com or usdiagnostics.roche.com.

About The Fortune 100 Best Companies To Work For®

To identify the 100 Best Companies to Work For®, each year Fortune partners with Great Place to Work to conduct the most extensive employee survey in corporate America. The ranking is based on feedback from more than 232,000 employees at Great Place to Work–Certified™ companies with more than 1,000 employees.

Winning a spot on this list indicates the company has distinguished itself from peers by creating a great place to work for employees – measured and ranked through our analysis of the results of our Trust Index© survey and Culture Audit© questionnaire.

Through the Trust Index©, employees anonymously assess their workplace, including the honesty and quality of communication by managers, degree of support for employees' personal and professional lives and the authenticity of relationships with colleagues. Results from the survey are highly reliable, having a 95% confidence level and a margin of error of 5% or less. Companies' results on the Trust Index© survey are compared to peer organizations of like size and complexity. The Culture Audit© includes detailed questions about benefits, programs and practices.

To be considered for our Best Workplaces lists, companies must become Great Place to Work-Certified™. Details are available at <https://www.greatplacetowork.com/certification>
